

The diagram illustrates the layout metrics for the text "Study Group". The text is contained within a blue rectangular box. A red dot on the left side of the box marks the "reference point". A horizontal red line above the box is labeled "wd" (width). A vertical red line to the right of the box is labeled "ht" (height). A horizontal red line below the box is labeled "[baseline]" and "dp" (descender position). The text "Study Group" is rendered in a black serif font. A dashed red line indicates the x-height of the text.
